Subject: MOOCs Learning Program during COVID-19 through IIT-Bombay Spoken Tutorial (An Initiative of NMEICT, MHRD, Gov. of India to promote IT literacy)

In the view of lockdown because of the Covid-19 pandemic all of you are involved in teaching and learning activities in online mode. To facilitate remote learning process during COVID-19, IIT Bombay provides an opportunity for students of our college to involve in different certificate programs under Spoken Tutorial. Hence all the course coordinators are requested to circulate provided links with students through any mode (Whatsapp, email etc.) and let them know for one certificate course allowed for students of the one-degree program. Students can download the course material and learn remotely through the provided link. Test will be conducted in the college campus when the situation will be normal after corona pandemic. The List of Spoken Tutorial Certificate Courses available for different groups attached as Annexure –I with this circular. Course coordinators also requested to facilitate the registration of students through Google form (Link attached)

For any query and help related to process, course, test, etc., faculty organizer please contact Ms. Renu Singh, Training Manager, IIT Bombay, Contact detail - +91-9889844298, renusingh66669@gmail.com.
